

My Haggada Bookmark

By Walder Educational Pavilion of Torah Umesorah

Grade Level: Early Childhood, Elementary

Description:

This special Pesach bookmark features the words, "My Haggada Bookmark" and an illustration of a child reading from a Haggada. There are three versions available, one with a girl, one with a litvish boy, and one with a chassidish boy. Students can use the bookmark to help them follow along as they read their Haggada on Seder night and to mark the page that they are up to.

Goals/Objectives:

Students will color a Pesach bookmark which they will use to keep the place at the Seder.

Materials Needed:

- Crayons
- Or Markers

Instructions:

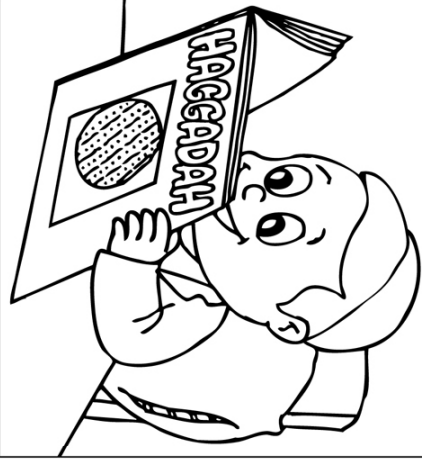

1. Have your students color their bookmarks and write their names.
2. For younger students, discuss the function of a bookmark and how to use it.
3. Show beginner readers how to place the bookmark beneath the line that they are reading to keep track of what they are up to.
